AVON WILDLIFE TRUST – A NEW NATURE PROJECT

We are excited to share our new wildlife programme with you, which may be of interest to local residents/groups/organisations in your postcode area.

If you would like to do something positive for nature with your community & would like support to make your vision a reality, this project is free training to help you. From planting for pollinators, creating a community garden or wildlife area, organising walks & talks, our year-long monthly training programme can help you. We also cover fund-raising. It doesn't matter whether you are a fully-fledged group or just starting out, we can help.

Over the past couple of years we have supported residents across 12 postcodes to help nature where they live. Now thanks to National Lottery funding we are launching a new programme for people in BS 1,3,4,6,7,10,11,15,16, 30, 31,32,34 & 37. To find out more look at 'Wildlife Champions Avon Wildlife Trust' or phone 07421 226112

It's for anyone who cares about nature & the natural world.
